1. INTRODUCTION

This year has seen a new head of service being appointed who will continue to build on the improvements already achieved in the performance of both the customer's experience and revenues and benefit's service delivery.

The service outturn for 2018/19 is expected to exceed that achieved in 2017/18 in the areas of processing times for Benefit cases and collection rates for council tax and business rates.

Service area priorities

For each element of the Service areas for development and service improvement have been identified and are below.

Revenues (Council Tax, NNDR, Housing Benefit Overpayments and Sundry Debtors)

- Maximising revenues collection for council tax and NNDR
- Further focus on arrears collection
- Targeted use of charging orders, possession orders and committals
- Direct Debit take up campaign
- Campaign to increase usage of self-service for council tax and NNDR
- Review and consult on changes to the council tax reduction scheme, to be effective from 01.04.2020,
- Introduce an on-line claim form for discounts and exemptions for Council Tax and Business Rates and automate these where possible.
- Introduce further automation of Addaccs and Arruds.
- Introduce mobile working for Inspectors for Business rates and Council Tax.
- Carry out a health check of the Capita systems to ensure they are being used in the most efficient way.
- Introduce single sign on with Firmstep.
-

Benefits

- Carry out a review of all claims where there is self employed income where the income has not changed in over 12 months
- Promote and encourage use of on line claims form for new claims
- Introduce an on-line change of circumstance form
- Roll out DHP on line claim form
- Continue to reduce the time taken to process new claims and changes in circumstances
- Use VEP (Verification of Earnings and Pensions) module to speed up the verification of earnings and pensions
- Carry out a health check of the Capita systems to ensure they are being used in the most efficient way
- Introduce single sign on via Firmstep.

General

- Carry out a health check of the Document Imaging system (Information@work) to ensure it is being used in the most efficient way.
- Plan the upgrade of the Information@work system to release 5.20 which is due in early 2019 and move to the browser version of the product.
- Processes and procedures for all service areas to be reviewed and updated.
- Consider whether we need a restructure of the service following the completion of the Watford 2020 project.

Challenges

In order to deliver our aims and objectives for 2019/22 we have identified the following challenges:

- IT upgrades and hardware road map modernisation agenda
- Stable IT platform
- Government legislative changes
- Welfare reform and continued roll out of universal Credit
- Economic environment and caseload profile changes
- Effective management of staff and staff performance

The progress of this service plan will be monitored in the following ways:

- Through regular discussion at departmental management team (DMT) and Section Heads meetings
- Logged in the version control section of this document
- Performance indicator monitoring by the Council's Management Board on a quarterly basis
- By Committee reports twice a year (at the end of quarters two and four)

Service Plans will be formally updated on an annual basis, taking into account internal and external influences arising from monitoring arrangements throughout the year.

SECTION 3: OUTPUTS AND OUTCOMES

3.1 Performance management

Contribution to the Councils' Strategic Aims and Objectives

Strategic Plan Priority theme	Strategic Plan objective (inc. ref)	Measure (including the reference)	Target
Safety and Wellbeing	Process benefit claims quickly and accurately will help communities remain safe and well	New claim processing time	15 days
		Change of circumstances processing time	9 days
Clean and Green	High collection rates for Council Tax and Business Rates will enable money to be reinvested in the region promoting a clean and green environment	Council Tax collection rates	98%
		NNDR collection rates	99%
Economic Prosperity	Ensure businesses and council tax payers are properly advised what discounts they are entitled to. Reducing their liability for NNDR and Council Tax increases their spending power which is of benefit to the wider local economy. Ensuring people do not get discounts they are not entitled to reduce the burden on other rate and tax payers.	Council Tax collection rates	98%
		NNDR collection rates	99%
Customer Service	Processing benefit claims on time and accurately ensures claimants can budget accordingly. This reduces complaints and overpayments by processing change of circumstances.	New claim processing time	15 days
		Change of circumstances processing time	9 days

3.2 Performance indicators

See Data Quality Strategy for further details

Performance indicators are used to aid the decision making process as well as assess the efficiency and effectiveness of service delivery. The data that we use must be accurate, reliable and timely. To meet these requirements we have adopted the Audit Commission's Standards for Better Data Quality. Further details of the Council's commitment to data quality can be found in the Strategic Plan.
