بِسْمِ اللَّهِ الرَّحْمَنِ الرَّحِيمِ
وَلَمَّا بَرَزُوا لِجَالُوتَ وَجُنُودِهِ قَالُوا
رَبَّنَا أَفْرِغْ عَلَيْنَا صَبْرًا وَثَبِّتْ أَقْدَامَنَا
وَانصُرْنَا عَلَى الْقَوْمِ الْكَافِرِينَ
(2:250)

When they advanced to meet
Goliath and his forces, they prayed:
"Our Lord! Pour out constancy on
us and make our steps firm: Help us
against those that reject faith."

Whoever is responsible for removing this prayer from the Holy Quran please have the
courtesy of leaving a note explaining the reason why. In the absence of an explanation I
shall continue to put one up every time you remove it. Nothing you do will break my faith.
