Birstall Green Site

38 Letters sent out
25 Replies received
14 For reopening the allotments
10 Against reopening
01 Undecided

Concerns raised about:-

The security of the site (would need a gate and boundary fencing).

Protection of the trees on the site.

Would prefer the area to remain overgrown as it ensures privacy, deters children and reduces crime.

By reopening it would increase the number of cars parked in the area

Cost of clearing the site.

Concerned at the possibility of petrol being stored and access to the Fire Service in an emergency.

Would become an area for drinking and drug taking.

Would be better used as a children's play area.
