2. Details

2.1 Council is asked to reconstitute the following bodies:-

Three Rivers Community Safety Partnership Board
Three Rivers Local Strategic Partnership
Community Safety Board (Police and Crime Commissioner)
Environmental Forum
Pensioners' Forum
Youth Council
Internal Complaints Panel
Staff Employer Forum
South Oxhey Community Board

2.1.1 It should be noted that Council decided to withdraw from the Housing and Regeneration Initiative (HARI) in December 2014 (Minute PR54/14) therefore no further appointment is required.

2.1.2 It should be noted that the Editorial Working Party no longer meets therefore no appointments are required.

2.1.3 The Watford and Three Rivers Health Partnership Executive Group, Parking Services Working Party, Constitution Working Party and Local Plan Working Party have disbanded. The sub-committees for the Constitution, Local Plan, Equalities and Covid 19 Response were established by the Policy and Resources Committee. The membership and appointments to these sub-committees will be agreed at the Policy and Resources Committee meeting on 14 June 2021.

2.1.4 As the Joint Meeting with the Parish Councils, South Oxhey Scrutiny Panel and Property Scrutiny Panel have not met it is not proposed to reconstitute these bodies at this time. If necessary P&R Committee can consider setting up a sub-committee to scrutinise property matters.

2.1.5 West Herts Crematorium

Council have appointed Councillor David Major as the representative to West Herts Crematorium Joint Committee until June 2022.

2.2 Three Rivers Community Safety Partnership Board

2.2.1 The Board leads the Community Safety Partnership and makes strategic decisions concerning community safety. It is a function requiring the appointment of one Member, last year's representative being the Lead Member for Community Safety and Partnerships.

2.2.2 The Community Safety Co-ordinating Group carries out functions delegated by the Community Safety Board by managing, co-ordinating and tasking the work of the Partnership concerned with the delivery of the Community Safety Strategy and Action Plan. It reports to the Community Safety Board. Previously, the Leader of the Council has been the appointed representative on this Group but last year it was agreed that there

would no longer be representation on the group by a Councillor. It was highlighted by the Police that as the coordinating group is an officer working group it is not appropriate for a political representative to be appointed at this level, the new Terms of Reference were agreed by the Co-ordinating group and the Community Safety Board and reflected this change in membership.

2.3 Three Rivers District Local Strategic Partnership

2.3.1. The Local Strategic Partnership (LSP) produces the Community Strategy for Three Rivers and ensures that the vision is achieved. The LSP consists of key organisations that deliver services across the District (Police, Herts Valleys Clinical Commissioning Group, Hertfordshire County Council, Parish Councils, Thrive Homes, Watford Community Housing Trust, West Herts College, Job Centre Plus, Citizens Advice Bureau, Hertfordshire Chamber of Commerce and Three Rivers District Council). Both the LSP Board and Community Safety Board meetings are co-joined. A change to the Terms of Reference of the LSP Board was agreed by them in (October 2020) that the Chair of the Community Safety Board should automatically have a seat on the LSP Board, the current Chair of the Board being the Lead Member for Community Safety and Partnerships but the Council will still be required to appoint 2 Members to the Board. The Leader of the Council and Councillor Sara Bedford who is Chair of the Board, an appointment of the Board, are the current appointed representatives.

2.4 Police and Crime Commissioner - Community Safety Board

2.4.1 The Community Safety Board is a quarterly forum chaired by the Police and Crime Commissioner. This means debating issues, driving change and letting young people lead. The Youth Council has a voice and the Council want young people to tell us what they are interested in. The Youth Council in partnership with the Three Rivers Primary Schools Consortium had over 200 school Councillors from 15 schools take part in a big debate driven by their own ideas of what they wanted to discuss. The Council has also worked with several schools helping to set up a constitution and facilitating debates. The key to the success of the Three Rivers Youth Council is having a strong working partnership.
