1 Summary

1.1 This report enables the Committee to reconfirm its commitment to the Corporate Framework for the remaining one year commencing on 1 April 2022 – 31st March 2023 and the key actions for 2022-2023.

2 Details

Corporate Framework

2.1 The Council adopted its current three-year Corporate Framework (which used to be known as the Strategic Plan) for the period 2020-2023 on 25 February 2020 (minute CL75/19 refers). This was prepared taking into account consultation on priorities with the Local Strategic Partnership and the public and national priorities.

2.2 The Corporate Framework includes a vision for the council of ‘We want Three Rivers to be a place for everyone where all our communities enjoy a healthy and sustainable future with access to good quality housing and open spaces, high quality services , and a successful economy.’

2.3 The documents identifies a range of objectives under the four priorities of:

- Housing and Thriving Communities
- Sustainable Environment
- Successful Economy
- High Performing, Financially Independent Council

2.4 At its meeting on 13 September 2021 the Policy and Resources Committee agreed the process whereby the strategic, service and financial plans for the period 2022-2025 would be agreed.

2.5 The Corporate Framework Action Plan for 2022-2023 is attached at Appendix 1 and includes the overarching vision of the council, the themes and objectives and key actions that we will be undertaking in the new financial year. The Committee is asked to recommend the contents of the Corporate Framework to Council on 24 May 2022.

2.6 We will add further links to the website from the action plan for ease of access and to aid understanding or involvement from the community. We will also be interpreting this further by promoting actions separately via social media and press releases in the autumn to make them easy to understand, accessible and more public facing.

2.7 Officers have prepared service plans based on the Corporate Framework and these actions. These have been presented to relevant committees as draft in November 2021 and final service plans are being presented to the relevant committee during March 2022. The final service plans also now include the new Performance Indicators following the recent review.

12.1 The Council has agreed its risk management strategy which can be found on the website at <http://www.threerivers.gov.uk>. In addition, the risks of the proposals in the report have also been assessed against the Council’s duties under Health and Safety legislation relating to employees, visitors and persons affected by our operations. The risk management implications of this report are detailed below.

Nature of Risk	Consequence	Suggested Control Measures	Response <i>(tolerate, treat, terminate, transfer)</i>	Risk Rating <i>(combination of likelihood and impact)</i>

10.2 The above risks are scored using the matrix below. The Council has determined its aversion to risk and is prepared to tolerate risks where the combination of impact and likelihood scores 6 or less.

Very Likely ----- Likelihood ----- Remote	Low	High	Very High	Very High
	4	8	12	16
	Low	Medium	High	Very High
	3	6	9	12
	Low	Low	Medium	High
	2	4	6	8
	Low	Low	Low	Low
	1	2	3	4
	Impact			
	Low	----->		Unacceptable

Impact Score	Likelihood Score
4 (Catastrophic)	4 (Very Likely (≥80%))
3 (Critical)	3 (Likely (21-79%))
2 (Significant)	2 (Unlikely (6-20%))
1 (Marginal)	1 (Remote (≤5%))
	2

10.3 In the officers' opinion none of the risks above, were they to come about, would seriously prejudice the achievement of the Strategic Plan and are therefore operational risks. The effectiveness of the management of operational risks is reviewed by the Audit Committee annually.
