# WILDWOOD UK

Wildwood swing and rope

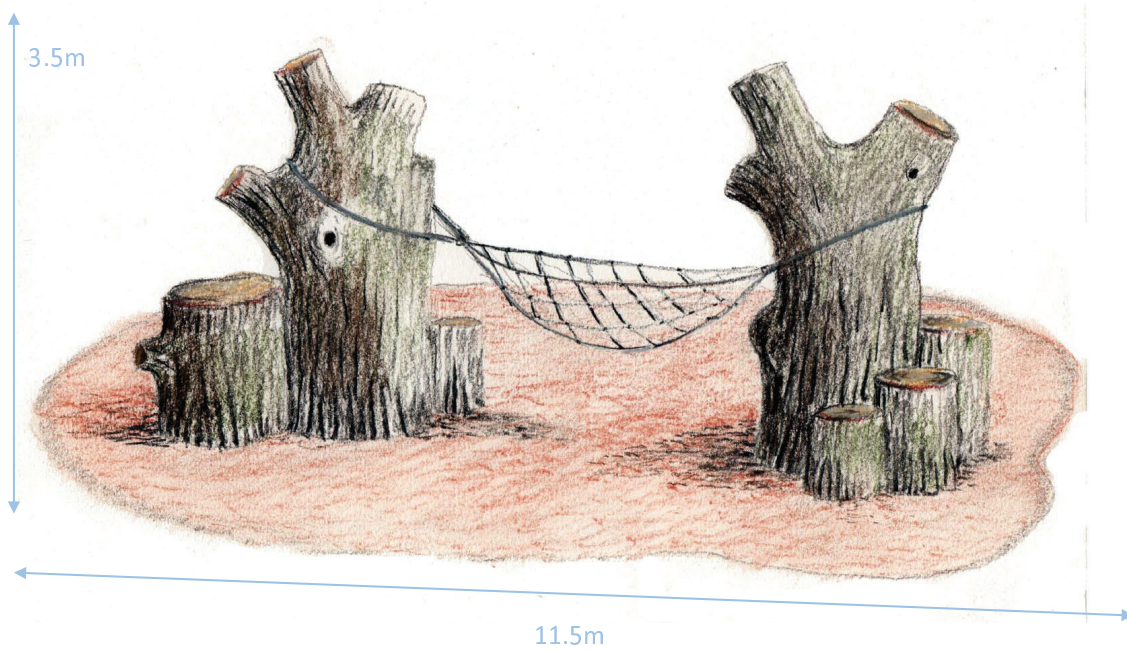

3.5m

11.5m

Notes

A challenging tree climb with a nest swing and a vertical rope climb/descend.

Note: sizes are approximate and flexible according to the client's needs/preference.

# WILDWOOD UK

Wildwood Hammock

3.5m

11.5m

Notes

A challenging tree climb to access a relaxing swinging net hammock.

Note: sizes are approximate and flexible according to the client's needs/preference.

WILDWOOD UK

Wildwood Den with ropes

Rope Bridge

4.5m

Notes

A Wildwood Den incorporating multiple tree climbing opportunities, rope scramble, vertical rope climb for ascending and descending and a rope bridge. The outer edge of the impact surface could include muddy puddle areas that are great for toddlers to splash in with wellies after wet weather. Log seating is provided around the perimeter.

Muddy puddles

15.5m diameter

Note: sizes are approximate and flexible according to the client's needs/preference.

WILDWOOD UK

Wildwood Drums and Xylo-fence

1.0m

2.0m

Notes

Natural play and music combined.
The drums are hollowed oak logs
covered with heavy duty skins. Hazel
stick beaters are attached.
The xylofence can be climbed. It's
constructed from oak uprights and
soft wood keys carved with musical
notes or animal carvings.

Note: sizes are approximate and flexible
according to the client's needs/preference.
